ARPERTURE MEDIA
AI VIDEO PRODUCTION

LOUDOUN COUNTY, VIRGINIA
FOR LOCAL SMALL BUSINESSES

Video that looks like it cost ten times more.

Arperture Media is an AI-powered video production company built for local small businesses. **AI does the heavy lifting** - the shoots, the sets, the second takes - so you get polished video of your actual business without a camera crew, a studio day, or a five-figure invoice.

1 The Spec Demo — FREE - START HERE

$0
NO OBLIGATION

Before we pitch you anything, we make a 30-second video of **your** business - your storefront, your work, your neighborhood - built from your real listings, photos, and reviews. If it doesn't make you want more, you've lost nothing but a few minutes.

2 Launch Video

$2,500–$5,000
ONE-TIME PROJECT

One proper brand film - the video that lives on your homepage, runs in your ads, and tops your profiles. We handle the script, production, voice, and music, and make your business look like the obvious choice in your market.

3 Video Content Retainer

$1,500–$2,000
PER MONTH

8-12 short-form videos a month for TikTok, Reels, Shorts, and LinkedIn. You approve the topics on one short call; we script, produce, caption, and deliver posting-ready files. Your channels stay fed, and you never touch a camera.

4 Visibility Engine — FLAGSHIP

$2,500–$3,000
PER MONTH

Everything in the content retainer, plus we watch what ChatGPT, Claude, Perplexity, and Gemini say when someone asks for a business like yours - and who gets recommended instead of you. Monthly citation report and fix list included. For owners who want the videos to keep working after they post.

BUILT INTO EVERY VIDEO

Every video ships **optimized for AI search** - titles, descriptions, and transcripts written so ChatGPT, Perplexity, and Gemini can find your business and cite it. The video is the product. Being findable comes with it.

Start with the free one.

Send us your business name and website. Within about a week you'll have a 30-second video of your own business in your inbox. No meeting, no slide deck, no obligation - the work is the whole pitch.
